Die Cut

Personalize your bags by having us cut them into a unique shapes. That way, they will really stand out from the rest.

Pockets

We can add pockets to hold anything from business cards to mobile phones or small containers. A great way to keep your bag tidy and belongings accessible.

Rope Handles

Give your bag a stylish look with these coloured rope handles! Besides looking smart, they are also very sturdy and hard-wearing.

Tag

Attach tags to your bags to convey additional information – and give an extra push to your message or image.

PVC Windows

Thanks to a clear and transparent waterproof window on your bag, you can put the goodies inside on display.

Fabric Choice

Why not give your bag a fantastic designer look by using two different coloured fabrics? We can even feature handles with different fabrics to that of the bag.

Specially-Positioned Printing

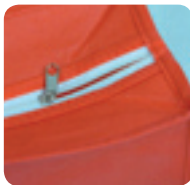

We can print your images and/or logos in any position on your bag – including the front, sides, handles or even on the baseboard.

Zipper Fastener

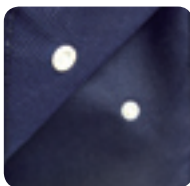

With a quality zipper, you can be sure that your belongings are kept safely inside your bag.

Velcro Fastener

Velcro's hook and loop fabrics offer you the advantages of a firm and secure fastening – and convenient access at all times.

Press Studs

Both components of our press studs are firmly attached to the bag fabric for a secure fastening. Small, unobtrusive and convenient.

Drawstrings

A single tug and you have closed your bag with the drawstring – which you then use to carry it. Long-life durability and strength.
